Instructions:

List EVERYONE in your home and on your federal tax return, even if you are not applying for them. Use more paper if necessary. If you are a non-citizen who has a sponsor, you will list the sponsor's information in a question later in this application.

If you are applying for benefits and you have a Social Security Number (SSN), we need this information. If you provide your SSN, it may speed up the application process. We use SSNs to check income and other information to see who's eligible for help with health coverage costs. If someone wants help getting an SSN, call 1-800-772-1213 or visit socialsecurity.gov. TTY users should call 1-800-325-0778. Providing a SSN or immigration status is optional for Food Assistance. If a SSN or immigration status is not provided for a person, that person will not receive benefits. Even though the person's SSN or proof of immigration status was not provided, they must provide any income and resource they have as well as any expenses they pay because that information will be used to determine eligibility and benefits for eligible household members.

What I Should Know

By completing and signing the State of Colorado Application for Public Assistance and other documents required to determine whether I'm eligible for public assistance benefits **AND** by accepting benefits that I am eligible to receive, I understand the following information and agree to the following requirements:

- I must tell the truth; it is a crime to lie on this application.
- I may have to give papers that show what I've told you is true.
- I may have to tell you of any changes to the information I gave you on my application. If I think you made a mistake, I can ask for an appeal or fair hearing.
- The department will not discriminate.
- The department will confirm citizenship and immigration status for everyone applying for benefits.
- The department will tell you if your benefits change.
- The department or relevant federal agency will take back any benefits you should not have received.

1. The Department of Health Care Policy and Financing (HCPF) is the state agency responsible for Medical Assistance Programs in Colorado. The Department of Human Services is the state agency responsible for the other public assistance programs. The County Departments of Human/Social Services and Medical Assistance Sites are the agencies that receive and process applications for all public assistance programs. In this statement, the term "department" is used to refer to all agencies.

2. I must give the department all needed proof and documents before qualifying for benefits.

3. The information I give on the application and in the application interview is confidential. However, the department can use or share the information with other program(s) that any of my family and/or household members are getting or are applying for. The information can only be used for purposes of treatment, payment, determining eligibility, and other program and administrative operations, or other purposes permitted by law for my family and/or household members or me. Additionally, this information may be disclosed to other Federal and State agencies for official examination and to law enforcement officials for the purpose of apprehending persons fleeing to avoid the law. It will also be determined if the information is factual. If any information is incorrect, Food Assistance may be denied and the applicant may be subject to criminal prosecution for knowingly providing incorrect information.

4. It is a crime to lie on the application or to take benefits that I know that my family and I are not eligible to receive and I may be subject to criminal prosecution for knowingly providing false information. Giving false information may be punished by a fine of up to $250,000 or a jail term of up to 20 years, or both.

5. A person found to have intentionally given false information cannot get Food Assistance and/or Colorado Works/TANF for 12 months for the first offense, 24 months for the second offense, and permanently for the third offense. A court can also stop a person from getting Food Assistance for another eighteen months. This crime is subject to prosecution under other state and federal laws. Receiving duplicate benefits of Food Assistance by lying about identity or residence will result in a ten (10) year disqualification for the first offense, a ten (10) year disqualification for the second offense and a permanent disqualification for the third offense. If I omit or provide any information (other than lying about identity or residence) that leads to duplicate benefits being issued, I can be disqualified for 12 months for the 1st offense, 24 months for the 2nd offense and permanently for the 3rd offense. A person convicted by a court or whose disqualification was obtained through an Intentional Program Violation (IPV) waiver for misrepresenting their residence in order to obtain assistance in two states at the same time will have their Colorado Works assistance denied for ten (10) years.

6. The department will notify me in writing of how and when to tell the department of any changes. If I am receiving financial assistance, I know that I must tell the organization providing the assistance if information I listed on this application changes. I am aware I have 10 calendar days to report any changes if I am enrolled in Health First Colorado or Child Health Plan Plus (CHP+). Changes are to be reported to my local county office for Health First Colorado or to CHP+. I am responsible for paying fees, premiums and co-payments for myself and my family if they are required for Medical Assistance benefits. I know I have 30 calendar days to report any change to Connect for Health Colorado if I am receiving Advance Premium Tax Credits, Reduced Co-Pays or Deductibles, or I am enrolled in a Qualified Health Plan. If my family is enrolled in multiple insurance affordability programs, I must report changes to each organization in the appropriate time frame. I understand that a change in information could affect my eligibility and eligibility of member(s) of my household.

7. If I do not tell the truth on my application or if information is left off of the application, or if I do not report changes to the department, as required, I may lose my assistance, and I may have to pay back the department for the assistance received when I was not eligible. If I have to pay back money to the department, I understand that state or federal salaries, rebates, or tax refunds that would be received by me or another person on this application may be taken.

8. The law says the department must check the immigration status and citizenship for anyone who is applying. They will not check immigration status of family members who are not applying for benefits. I may be requested to give proof of non-citizen registration documentation received from the United States Citizen and Immigration Service (USCIS) for every non-citizen member in my house who is applying for benefits. The department will confirm information with USCIS and any information received from USCIS may affect my eligibility and benefits. Federal law (Public Law 97-98) requires me to give the department the Social Security number and/or alien registration number of all persons who are applying for public assistance. I must also provide the Social Security number and/or alien registration number for all sponsors. **For Adult Financial and Colorado Works programs, sponsor information will be confirmed with USCIS and the information received from USCIS may affect sponsor repayment for my eligibility and benefits. My sponsor and I may be responsible for reimbursing the state for benefits that I receive.**

9. **The following applies to all qualified non-citizens applying for Adult Financial and/or Colorado Works:** As a condition of my eligibility for financial assistance programs I agree that, during the time I am receiving such assistance, I will

not sign an Affidavit of Support to sponsor a non-citizen who is seeking permission to enter or remain in the United States. I understand that any Affidavit of Support signed prior to July 1, 1997 does not affect **my eligibility** for assistance. If I do not agree, I will no longer be eligible for financial assistance from the State of Colorado.

10. I do not have to be a U.S. citizen to apply for assistance. **Please do not let the fear about immigration status stop you from seeking benefits for your family.**

11. If I am a resident of an institution and jointly applying for SSI and Food Assistance prior to leaving the institution, the filing date of the application is my date of release from the institution. Processing time will begin from the date the application is received in the Food Assistance office.

12. Privacy Act Information: The department is authorized to collect information on the application, including Social Security numbers and will confirm information that may affect initial or ongoing eligibility and payments for all persons listed on my application. **I am allowing the department to use Social Security numbers (SSN) and other information from my application to request and receive information or records to confirm the information in my application.** Food Assistance will be denied to individuals that do not provide a Social Security number, and Social Security numbers will be used and disclosed in the same manner for both eligible and ineligible members. **I release the department from all liability for sharing this information with other agencies for this purpose.** For example, the department may get and share information with any of the following agencies: Social Security Administration; Internal Revenue Service; United States Customs and Immigration Services; Colorado Department of Labor and Employment; financial institutions (banks, savings and loans, credit unions, insurance companies, landlords, leasing agents, etc.); child support services; employers; courts; and other federal or state agencies; and for Food Assistance, law enforcement officials for the purposes of apprehending persons fleeing to avoid the law.

13. If a Food Assistance, Colorado Works, and/or Adult Financial over-payment occurs against my household, the information on this application, including all Social Security numbers, may be referred to Federal and State agencies, as well as private claims collection agencies for claims collection action.

14. The EBT (or Quest) card is used to pay me most of my public assistance benefits. I cannot trade or sell EBT cards. The only people allowed to use my household's EBT card are members of my household, my authorized representative(s), and individuals outside my household that have my permission to use my EBT card to access benefits for the people in my household. I cannot use my EBT card to access my cash benefits at locations identified as prohibited locations including licensed gaming establishments, in-state simulcast facilities, tracks for racing, commercial bingo facilities, stores or establishments in which the principal business is the sale of firearms, retail establishment licensed to sell malt, vinous, or spirituous liquors, establishments licensed to sell medical marijuana or medical marijuana-infused products, or retail marijuana or retail marijuana products, establishments that provide adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment. **Continued misuse of my EBT card at prohibited locations will cause my cash benefits to be suspended on my EBT card and/or my cash benefits to be terminated for a period of 30 days requiring a new application.**

15. I can name someone or an organization to be my representative. I must do this in writing. The person and/or organization I designate to be my authorized representative may help me apply for assistance, get my benefits, and use my benefits to buy food for me. I may name one person to help me with each separate task or I may name one person to help me with all of these tasks.

16. If I think the department made a mistake, I can ask for a Fair Hearing. The department will tell me in writing how to make an appeal. I can ask for a Fair Hearing either verbally or in writing. My case may be presented by a member of my household or my representative, such as legal counsel, friend, or relative. I may request an appeal for any action on any program except for the CHP+ program

17. If I think the CHP+ program made a mistake, I can ask for an appeal. CHP+ tells me about how to make an appeal in writing.

18. Colorado Works is not an entitlement program and benefits are not guaranteed. Each county has the authority to determine eligibility requirements and benefit levels. To remain eligible, I may be required to complete an assessment and develop a plan. Unless exempted, I will be required to participate in work readiness activities

19. As an applicant for Colorado Works, if I refuse to cooperate with Child Support Services at the time I apply or while receiving cash assistance through Colorado Works, without good cause, I will not receive assistance or a basic cash assistance grant for my family. Good cause for not working with Child Support can be, but is not limited to; potential physical or emotional harm to a child(ren), parent or caretaker relative; pregnancy or birth of a child related to incest or forcible rape; legal adoption before court or a parent receiving pre-adoption services; or other reasons determined to be in the best interest of the child. In order to cooperate with Child Support Services, I will be required to complete additional documentation concerning the child(ren), parentage of the child(ren) and provide all court documents that concern the child(ren).

20. If I am an adult between the ages of 18 and 49, with no children under the age of 18 in my Food Assistance house, I will only be eligible to receive Food Assistance benefits for three months, unless one of the following applies: I work in a job 80 hours each month and report my hours worked to my local Employment First office, or I meet the Workfare program requirements or work program requirements set by the Employment First office. Additionally, I may continue to receive my Food Assistance benefits if I am determined to be physically or mentally unable to work or if the Food Assistance office identifies other applicable exemptions. If I meet any of these criteria, I will be able to continue receiving Food Assistance as long as I remain eligible.

21. I understand and agree that to receive Food Assistance, certain members of the household need to register for work. This means that certain members of the household must: A) Report to the Employment First (work program) when the Food Assistance office schedules an appointment. B) Comply with the instructions the Employment First (work program) gives including reporting for all scheduled appointments and following through on the written agreements signed. C) Provide information to the Food Assistance office or the Employment First (work program) about any jobs me or my household member(s) get while on Food Assistance. D) Tell the Food Assistance office or the Employment First (work program) if me or my household member(s) are not able to work – I will be asked to provide verification; work any workfare hours assigned; go to job interviews arranged for me or my household member(s). Anyone who does not follow the work requirements may be disqualified from receiving Food Assistance.

22. I must cooperate fully with state and federal staff if my case is reviewed. My information on this application may be reviewed and confirmed by the department, or its representatives. My household will not be eligible for Food Assistance if I refuse to cooperate with any review of my case, including a quality control review.

23. I cannot use Food Assistance benefits to buy nonfood items, such as alcohol or cigarettes. I can be disqualified for

using Food Assistance to pay for items purchased on credit. **If a court of law finds a person guilty of using Food Assistance benefits to illegally purchase or receive controlled substances that individual shall be disqualified for two years for a first offense and permanently for a second offense. Individuals found by a Federal, State, or local court to have used or received benefits in a transaction involving the sale of firearms, ammunition, or explosives shall be permanently ineligible to receive Food Assistance upon the first occasion of such violation. If a court of law finds a person guilty of having trafficked benefits for an aggregate amount of $500 or more, that individual will be permanently ineligible to receive Food Assistance upon the first occasion of such violation.**

24. The trafficking of benefits means:

a. The buying, selling, stealing, or otherwise effecting an exchange of Food Assistance benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone ; or,

b. The exchange of Food Assistance benefits or EBT cards for firearms, ammunition, explosives, or controlled substances; or,

c. A Food Assistance participant, including the participant's designated authorized representative, who knowingly transfers Food Assistance benefit to another who does not, or does not intend to, use the Food Assistance benefits for the Food Assistance household for whom the Food Assistance benefits were intended; or

d. The reselling of food that was purchased with Food Assistance benefits for cash; or

e. Obtaining a cash deposit when returning water or other containers that were purchased with Food Assistance benefits. Purchasing water containers is an eligible food item that can be paid for with Food Assistance benefits; however, when the container is returned, the deposit should be returned to the client's EBT card and not given to the client in cash.

f. Attempting to buy, sell, steal, or otherwise affect an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.

25. If I do not report and provide proof of mortgage, housing fees, property insurance, property taxes, court ordered child support payments, child or adult care, and medical expenses paid by people in my household who are elderly or who have a disability, I am stating that I do not want that specific deduction used to determine my Food Assistance benefit amount.

26. I can ask for Food Assistance apart from asking for benefits from other programs. My eligibility for Food Assistance will be determined apart from any other programs. The Food Assistance office shall process all Food Assistance applications in accordance with Food Assistance timeliness, noticing, and fair hearing requirements, even if I am applying for other programs.

27. Colorado residents who have a qualifying disability, such as persons receiving SSI or SSDI benefits, or residents who are at least 65 years of age (or a surviving spouse age 58 or older) might also qualify for a Property Tax/Rent/Heat Rebate from the Department of Revenue. Visit www.TaxColorado.com and click on the PTC button at the top of the page or call 303-238-7378 for details.

28. IEVS refers to the Income Eligibility Verification System. IEVS reports discrepancies between the information you provide and information in the Department of Labor's system as well as Social Security Administration's various systems. Information available through IEVS will be requested, used, and may be verified through collateral contacts when discrepancies are found. This information may affect your eligibility and benefit level.

29. I will immediately notify the State of any medical claim or lawsuit I have. I will cooperate with the State in collecting the medical bills the State has paid. The state may collect from any insurance company or court settlement for medical bills that the State has paid. If I am on Medical Assistance and receive money for the same medical bills that the State has paid, I will give the money to the State. I assign to the State all rights to payment for medical expenses and treatment. I also assign my right to appeal a denial of benefits by another party responsible for payment for the benefits to the State.

30. Federal and Colorado state law require the Department of Health Care Policy and Financing to recover all medical assistance benefits, including capitation payments, paid on behalf of Health First Colorado clients from the estates of deceased Health First Colorado clients who were permanently institutionalized. For Health First Colorado clients who were over the age of 55 when benefits were provided, the Department recovers payments for nursing facility services, home and community-based services, and related hospital and prescription drug services. There are certain exemptions to estate recovery. For further information, please contact your county and request the "Medical Assistance Estate Recovery Program" brochure.
